ANNUAL FLOWER SELECTION - 2019

Varieties and availability subject to change

Botanical Name	Common Name	Height	Spread	Light	Description
Agastache 'Arizona Sandstone'	Hummingbird Mint	HT 8-10"	SP 8-10"	SUN	Hints of blue foliage support beautiful spikes of dark orange flowers that bloom continuously from spring to frost. Prefers full sun and dry areas to really flourish.
Agastache 'Kudos Coral'	Hummingbird Mint	HT 18"	SP 16"	SUN	Warm, coral-colored plumes bloom in masses all summer long inviting hummingbirds to your garden. Prefers sunny dry sites that are not over fertilized. Cut back spent stems and they will keep putting out flowers. Mixes well with blue salvias and yellow creeping zinnias.
Agastache 'Kudos Mandarin'	Hummingbird Mint	HT 18"	SP 16"	SUN	Cheery, bright, orange plumes will keep on going all summer and into the fall. Hummingbirds love it. Pair it with other Agastaches and Salvias in a sunny dry site. Cut back spent stems.
Ageratum 'Hawaii 5.0 Blue'	Floss Flower	HT 6-8"	SP 6-8"	SUN/PT SHADE	Industry standard for performance in packs, pots, and gardens. This plant will perform well in a warm environment with sun to part shade.
Ageratum 'High Tide Blue'	Floss Flower	HT 14-16"	SP 12-18"	SUN/PT SHADE	Blue pom flower clusters that are great for butterflies. Fragrant, short, and stout plants make a great color enhancement to any flower display.
Alonsoa meridionalis 'The Rebel'	Mask Flower	18"	12-18"	SUN/PT SHADE	One to two-inch scarlet-red flowers on red stems. Makes a great cut flower for small vases.
Alyssum 'Clear Crystal Purple Shades'	Sweet Alyssum	HT 6-10"	SP 6-10"	SUN	Vigorous, large-flowered, and very showy. Exhibits more heat tolerance than other varieties.
Alyssum 'Clear Crystal White'	Sweet Alyssum	HT 6-10"	SP 6-10"	SUN	Pure white flowers so prolific you barely see the foliage. Alyssum begins blooming in early spring and is one of the first annuals we set out in the garden along with pansy and osteospermum. Alyssum will bloom all summer, well into fall if you shear it once a month. Use it to edge walks or as an attractive alternative to mulch under roses. May go to seed.
Amaranthus 'Carnival'	Pigweed	HT 2-3'	SP 16"	SUN	A vibrant, tall, carnival of color that will tower over any area of your garden.
Amaranthus 'Early Splendor'	Pigweed	HT 2-3'	SP 16"	SUN	Dark fuschia and hot pink pillars of color great for any corner of a full sun garden.
Amaranthus 'Velvet Curtains'	Pigweed	HT 3-4'	SP 3-4'	SUN	A sturdy, tall accent plant that brings vivid burgundy foliage and flower stalks, and attracts bees, butterflies and birds.
Anagallis 'Wildcat Mandarin'	Pimpernel	HT 18-24"	SP 18-24"	SUN	This cousin of the blue anagallis has orange blooms with purple eyes, making for a stunning sun-loving addition to your garden.
Angelonia 'Alonia Big Blue'	Summer Snapdragon	HT 18-24"	SP 20-24"	SUN/PT SHADE	Dark blue, fragrant flower great for flower arrangements or as a medium height addition to your garden or planter.
Angelonia 'Angelface Blue'	Summer Snapdragon	HT 18-24"	SP 12-16"	SUN	Winner of "Best Angelonia" in 2003, but who cares! The important part is the orchid-like, bright blue flowers with white and green throats on upright stalks held above the foliage.
Angelonia 'Angelface Super Blue'	Summer Snapdragon	HT 24-36"	SP 12-16"	SUN	Thick spikes of big, dark blue flowers on sturdy stems. Unfazed by heat and humidity, it's perfect for your cutting garden.

Annual flowers are primarily sold in 3" pots, and some in large, 4-cell packs. Pricing and sizing by plant varies.
